Development Fees

Each separate land use request shall be charged a separate fee even if submitted on the same application. In addition to the application fee, all planning cases are evaluated on a project-by-project basis and subject to additional charges to cover any consulting or additional costs the City may incur. For applications that involve excessive staff time, services performed by city staff will be billed at actual payroll costs including hourly rates, payroll taxes and benefit charges.

Appeal	\$250
Architectural Review	\$500
Comprehensive Plan Amendment	\$1000
